

June 2009

Dear Parents,

I would like to take this opportunity to thank you for your support during the 2008-2009 school year. We have had a successful school year. Our track 1 students have completed their end of grade testing and the results have been sent home.

End of grade testing for tracks 2, 3, and 4 will be administered June 4-10<sup>th</sup>. Our students have taken these tests seriously and we had very few absences. Again, I encourage you to make sure your children are here and on time during our testing sessions. Ms. Oneil has provided information regarding testing on our website. Please read that information as it will help you as you seek ways to support your children.

We have many activities going on during these last few weeks of school. You are invited to support our students as they share with you some of the things they have done and learned this school year. Our tracks 2, 3, and 4 fifth grade celebration/graduation will be held at Holly Springs High School on June 30<sup>th</sup> at 9:30AM. Other information regarding activities that will be going on will be sent via our teacher communication.

Again, thanks for another great year. For our students and families that will not be returning to Holly Grove, I wish you much success at your new school. For our returning parents, I look forward to working with you during the 200-2010 school year.

If you have questions and/or concerns don't hesitate to call us at 577-1700. Communication is one of the keys to creating success for every child.
